## Your partner in the Enterprise Europe Network

Successful businesses need good partners. You can find them at NRW.Europa.

That's the name under which ZENIT GmbH, NRW.BANK and NRW.International GmbH represent the Enterprise Europe Network in North Rhine-Westphalia.

Over 600 centres in more than 60 countries are working together in this network initiated by the European Commission.

NRW.Europa delivers information and advice and supports you in your internationalisation and innovation projects, helps you to find partners abroad as well as with technology transfer and the acquisition of funding and relays your feedback to the European Commission.

Our services are primarily directed towards small and medium-sized enterprises, organisations close to the business and research communities as well as higher education institutions in North Rhine-Westphalia.

Use our many services to make your business even more successful.
